OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,

From

H. J. BHABHA, ESQ.,
Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore.

SIR,

I have the honour to inform you that the Assistant Deputy Inspector of Hindustani Schools, West Circle, reports that the Sultani Madresa, Old Agrahar, Mysore, which costs the Muzrai Department Rs 61 a month is in a most deplorable condition and that it does no good to the Muhammadan children of the neighbourhood. He also reports that the Gumbaz schools in Seringapatam and Ganjam were found closed at three separate visits of his since the beginning of the present

calendar year. The Seringapatam school has been closed for more than a year since its late master died of plague. All the three schools are maintained and controlled by the Inamdar Department. So long as they exist no Government schools can take their place. In the interests of Muhammadan education, the Assistant Deputy Inspector suggests that the three schools though maintained from the Gumbaz Funds which are administered by the Inamdar Department, may be placed under the control of the Education Department with a view to their future improvement. I am aware that these schools have been for many years deplorably inefficient and mismanaged. I commend the suggestion of the Assistant Deputy Inspector to the favourable consideration of Government.

To L. Anantaswami Rao Esquire,

Sir,

With reference to your Docket No. 191/114 of the 8th instant, I have the honor to state that I inspected the Sultani Madresa in the Mysore city this morning, and from enquiries made, I am satisfied that the Complaint against its management, is well founded. The highly unsatisfactory result reported by the Assistant Deputy Inspector, may be partly due to the prevalence of plague in an epidemic form in the city.

2. It is probable that the same cause has in a great measure affected the management of the Hindustani Schools at Seringapatam and Ganjam also.

3. Without going further into the Causes of the mismanagement, I feel I cannot do better than support the recommendation of the Inspector General of Education, to place the said Schools under the Control of the Education Department.
